Snow White — The Sequel

O.L.O.P Academy for Performing Arts presentation of **Snow White - The Sequel** was by all present applauded as a resounding success.

All the cast of 3 to 17 yr olds were absolutely superb. The King and the Chancellor were suitably confused throughout, the maids (small & large), Guards (Small, Large & Green) intrepid. As for the Dwarfs (both small & large) a definitely entertaining group. If anyone wishes to hire a boy band we have just the one to rival Take That! As for the Evil Step Mother/Queen, Narrator and Chorus, they kept the show bubbling along with their wonderful asides and interruptions. And what of Snow White and her Prince Charming, well I'm sure she might be able to persuade him in the end that children are part of the natural fauna and flora as well and begin with 'C'. In fact there were so many wonderful performances from Goatherd to Klingons that to single one out would be unfair. SO WELL DONE ALL OF YOU, YOU WERE ABSOLUTELY BRILLIANT!!!

Thanks and praise are also due the wonderful directors Ann & Victoria, for Fran and her wonderful ladies choir (we have trouble hitting those tricky high notes), for the musicians, Claire, John & Colin, and of course the script writer, the wonderful Ann. We also had admirable assistance back stage from two of our cast members Becka (Dance routines) and Emily (Props, Music & Stage).

Both the Matinee and Evening performances were recorded and it is hoped to produce a DVD of the Panto for those who missed it. As they say, watch this space!

The organisers would like to thank all those who have been patient with us and accommodated our practice schedule and a **BIG Thank You** to O.L.O.P Social Club for buying the new stage which was a great help, but an especially **Great BIG Thank You** to you the wonderful audience who showed such an appreciation of our show and made it all worth while.
