- **Baptism Preparation** sessions here at our parish usually take place once per quarter - arranged depending upon requirements for our church.
- All those attending are asked to note that **Baptism ceremonies** are booked to take place as **part of a Sunday Mass** (at a Sunday Mass time of the parents' choice) on a date to be fixed only on successful completion of the preparation sessions.
- Parents are required to **give the priest at least £20** to thank him for celebrating their child's baptism. This can be given to him on the day of the celebration.
- Please note that the Church wishes that **at least ONE godparent is a Catholic**, although TWO is the more usual and preferable custom.
- **All godparents** should be **practising Christians**.  
They are welcome to attend preparation with you, but this is not essential.

*We look forward to preparing for your child's  
baptism here*
